

MIX AND MATCH

1. Prior to the competition, each team selects 20 images. Teams are restricted to these images which CANNOT be changed once the competition has started.
2. It is deciding which team goes first.
3. The first team will display an image from their chosen selection. This will be marked out of 20 for photographic merit by the judge.
4. Once the first image has been marked, the second team will display an image from their chosen selection. This will be marked out of 20 for photographic merit by the judge and out of 20 for the match with the first image (ie : a total out of 40). The mark for the match can relate to any element of match at the judges discretion!
5. Lead teams will rotate in accordance with the score sheet. Once an image has been used once as either a lead or match it cannot be used again in the Competition.
6. The competition will end when all 20 selected images have been exhausted by each team, or by agreement, when an equal number of leads and matches have taken place for both teams. The winning team will be that with the highest number of points.
